As the owner, corporate officer, or site manager of the properties listed below, I hereby certify under penalty of law that no ion-exchange (e.g. salt-based) water softener that discharges a salt brine solution exists at any of the below properties. I understand that submitting this form confirms that either 1) a water softener was never present since the City obtained Lake Michigan water in October 2023, or 2) a water softener has been removed and a qualified rebate will not be pursued. I further certify that any water softener installed at a future date while the property(ies) are under my ownership or management shall meet the requirements of Waukesha Municipal Code §29.08(i)(2) including: meeting minimum performance standards, obtaining a certified optimization, and recording the optimization with the City. I am aware that there may be penalties including citations and fines for knowingly submitting false information.
